Esther graduated from the Chinese University of Hong Kong, the department of Fine Arts (BA ), in 2007. She has participated in various art shows: 《*Hong Kong International Art Fair*》 (Hong Kong Convention and Exhibition Centre, 2008), 《*Ha Ha! Esther is also an art teacher at 《*Art in Hospital*》 and 《*Art for All*》 , and an member of Hong Kong Fotanian Artist Village.

There are three important “guidelines” that Esther adhere to when making art: firstly, she wants people to experience happiness through her artwork; secondly, it’s important that her artwork is interactive; and thirdly, all her art works are made by hand.

Meanwhile, she is working as a flight attendant - travelling around the world to broaden her horizon and to meet people from different nationality and different background.
